Summary of Outcomes & Next steps
2nd Regional Workshop

Vivian Rambarath-Parasram & Captain Sukjit Singh
Director & Deputy Director
MTCC Caribbean,
The University of Trinidad and Tobago
General outcomes

• Launch of the Online Voluntary Reporting System and Data base for 16 Maritime Administrations on fuel consumption from Ships and use of EE Technology in the region

• Platform for Partnerships specific to Implementing MARPOL Annex VI and climate action in the Maritime domain

• Facilitator and collaborator in Government, Industry, Academia and Industry.

• Design a model for Public – private – sector and Civil Society.
General outcomes

• Caribmepa to join MTCC Caribbean’s Regional Steering Committee (RSC)

• Port Authority of Trinidad & Tobago (PATT) to join MTCC Caribbean’s RSC

• MTCC Caribbean to discuss becoming members of the Regional Ports Association
General outcomes

Creation of a Working Group consisting of key players to drive the maritime Agenda at CARICOM.

- To raise visibility and political awareness.
- To understand the strategic advantage of demonstrating financial commitments and lobby for the creation of Regional MTCC Caribbean Fund. This will also assist in attracting further funding.
- To create a proposal to COTED to recognize CMOS and MTCC Caribbean as Centre of Excellence in Maritime Affairs.

Acknowledge that we operate in the context of wider environmental challenges and therefore underscore the role of MTCC Caribbean to complement these initiatives.
Working Group

The working group will consist of representatives of the following Countries:

1. Antigua & Barbuda
2. Barbados
3. St. Lucia
4. St. Kitts & Nevis
5. St. Vincent & the Grenadines
The Project is Funded by the European Union and implemented by the International Maritime Organization

**Action Items**

- Create a proposal on the need for sustaining the MTCC to be presented at next SMA
- To establish presence in Chambers of Commerce.
- Enhance Communication and Visibility
- Promote Visibility for Sustainability
- Obtain Written Support from Stakeholders
- Create a Working Group (NOW!!!)
